My dear Sir:

Our records show that you were elected an Honorary member on April 15, 1920. We are correcting our register of members and wish to have the latest address of each member. The one used above was found in the 1920 City Directory but we did not find your name in the '21 directory; so thought it best to communicate with you direct.

Will you be kind enough to fill out the enclosed card and mail it to our secretary.

The society is meeting weekly at 7:30 P.M. on Thursdays in the Trustees' Room of the Public Museum. You are welcome at any meeting.

I thank you in advance.

Very truly yours,

L.S. Baird
L.S. BAIRD.
Past-President.
